Shuttle boat & Boat fee

The boat fee of **6,90 per person** (return ticket) will be added to your restaurant invoice.

In June, July, and August, we cover the shuttle boat fee for you on weekdays (Mon–Fri) from 12:00 to 15:00. This benefit applies to guests arriving by 15:00 at the latest and includes a round-trip boat transfer.

The shuttle boat departs for Sirpalesaari island from Saari's own pier (Ursininlaituri) at Merisatamanranta 10, behind Café Carusel.

The boat runs during the restaurant's opening hours: on the hour, at twenty past, and twenty to the hour. The short boat ride takes about 2 minutes. For example, if your table reservation is at 18:00, you can take the boat departing at 18:00.

The boat has a capacity of 30 guests. If more guests arrive at the same time, it will make extra trips between the mainland and the island. The last boat back to the mainland departs at 23:00.

Guest boat berths for restaurant customers are located next to the shuttle boat dock.
The shuttle boat service and guest berths on Sirpalesaari island are managed by Ferra ltd.
